

# UK Learning Lead Membership for Organisations

Membership is open to all who are interested in supporting and promoting the goals and objectives of UK Learning and its international partner Council of Educational Facility Planners International (CEFPI)

## Those joining as part of the Lead Membership Group will play an active hosting role for events and activities during the twelve months of membership...

The Lead Membership Group will be spread across all of the UK Learning Regions.

Activities will be focused on developing networks in the following areas...

- North West
- Yorkshire / Humberside
- West Midlands
- Inner London
- South East
- Scotland
- North East
- East of England
- East Midlands
- South West
- Wales
- Northern Ireland

You will have a unique opportunity to facilitate current good practice within your organisation - and to promote knowledge sharing and understanding of the agreed program of meetings.

Link to UK Learning website including Lead Member profile.

Dedicated case study space are reserved on UK Learning website for your organisation.

As a lead member you will be able to nominate a champion to attend Champion Forum Meetings to develop strategy for the membership year.

## Additional benefits of UK Learning Lead Membership include...

- Regional, national and international exposure.
- Opportunity to share ethos and value of your school / organisation on a regional/national and international basis.
- Named staff have access to UK Learning's portal, to CEFPI International research and best practice to entire school / organisation.
- Share best practices; network with fellow professionals - architects, landscape architects, facility planners, educators, policy-makers, engineers, manufacturers and suppliers.
- Gain immediate access to your region for local news and issues.
- Be involved in seminars and school visits through your local network.
- Receive discounted registration to regional conferences and events:
  - One member of staff free to three regional events
  - 25% off additional members of school / organisation
- Annual National Conference in UK: one member of staff free of charge.
- Access educational facilities research, publications and professional development opportunities via UK Learning portal and in addition to CEFPI international case studies via CEFPI International portal.
- Share your opinions through newsletters, e-groups and blogs with members world-wide.
