

UK Learning Membership for Primary and Special Schools

Membership is open to all who are interested in supporting and promoting the goals and objectives of UK Learning and its international partner Council of Educational Facility Planners International (CEFPI)

Membership will be spread across all of the UK learning regions.

Activities will be focused on developing networks in the following areas...

- North West
- North East
- Yorkshire / Humberside
- East of England
- West Midlands
- East Midlands
- Inner London
- South West
- South East
- Wales
- Scotland
- Northern Ireland

Membership provides a unique opportunity to promote knowledge sharing and understanding through a program of meetings and events.

Benefits of Membership of UK Learning include:

- Local, Regional, National and International Exposure.
- Opportunity to share the ethos and value of your school / organisation on a local regional/national and international basis.
- Three registered staff or nominated students have access to UK Learning's portal, to CEFPI international research and best practice for your organisation.
- Share best practices, network with fellow professionals - architects, landscape architects, facility planners, educators, teachers, students, policy-makers, engineers, manufacturers and suppliers.
- Gain immediate access to your region for local news and issues.
- Be involved in seminars and school visits through your regional activities.
- Free and discounted registration to regional events:
 - One member of registered staff free to the three regional events
 - 25% reduction for registered staff for regional events
- Annual National Conference in UK, to be held in Manchester and London.
 - 50 % discount for registered staff for national conference
- Access educational facilities research, publications and professional development opportunities via UK Learning portal and international case studies via CEFPI International portal.
- Share your opinions through newsletters, e-groups and blogs with members world-wide.
- Dedicated profile space reserved on UK learning website for your school / organisation.
- Opportunity for your organisation to attend the Champions Forum meetings held three times a year to develop strategy.
